Grape	Ribolla Gialla
Service temperature	10-12 C°
Moment	Aperitif / At Meal
Food matching	Ribolla Gialla is outstanding as an aperitif or with raw fish but equally delicious with rice or pasta in subtly flavoured fish sauces

Winemaking

Pre-fermentative low temperature skin contact for 12 hours at about 10°C; soft-crushing, must clarification by settling at low temperature and fermentation in stainless steel tanks at controlled temperatures using selected yeasts with regular stirring of the fine lees; the wine then matures in tanks before going into bottle.
